

## PARENT/PLAYER COVID-19 COMMITMENT CONTRACT

By completing this form and participating at West Hills Little League, you must confirm that you and your child will abide by the most current guidelines of the County of San Diego Public Health Order. The following guidelines are based on the San Diego Youth Sports Physical Distancing and Safety Plan for Practices and Drills, and may change during the season. Please be aware that our ability to continue to practice on City of San Diego and the city of Santee parks and fields depends on your compliance with all of these requirements. As a league, we are required to obtain your informed consent to participate in WHLL activities.

**Covid-19 is by its nature contagious, and I voluntarily assume the risk that my child or I may be exposed to, or infected by Covid-19, due to my child's participation in this sports program, and that such exposure or infection may result in personal injury, illness, permanent disability, or death. Knowing the risks involved, I nevertheless agree to allow my child to participate.**
