

WEST HILLS LITTLE LEAGUE LOCAL RULES - 2022

The following are the Local Rules adopted by the West Hills Little League (WHLL) Board of Directors (BOD) for the 2022 season. These local rules are intended to supplement the 2022 Official Rules and Regulations of Little League Baseball, Inc., which are binding on WHLL. The health and safety of our athletes, staff, volunteers are WHLL's highest priority and BOD may suspend or modify any of the following rules at any time to maintain the safest environment. At no time may any manager or coach suspend or modify any of these rules for any purposes. Failure to adhere to these and the National rules may result in disciplinary action by the WHLL BOD.

WHLL Fair Play and Good Conduct Policy Statement, while healthy competition in baseball is generally a good thing, too much competition can be inappropriate for Little League. As such, the desire to "win" must be secondary to fairness and should never result in treating a player unfairly. Good managers and coaches should model positive behaviors and discover how to be competitive while also being fair to all players. The WHLL rules are intended to provide a great experience for all players, while maintaining flexibility for managers and coaches in how they play and position players. WHLL is committed to fair play and positive role modeling behaviors to be demonstrated for all managers, coaches, volunteers, and players. Generally, fair play is measured in terms of opportunities to play infield/outfield, pitching time, and the number of at bats. Specific rules establishing minimum playing time and other fair play issues are set forth below for each division.

A. GENERAL RULES FOR ALL DIVISIONS

Line-ups in suspended games must be the same to start the continuation, as it was when the game was halted. Once the play begins, legal substitutions may take place. Managers will be assigned to umpire each game (one for the bases and one for home plate). The determination of who umpires at which position will be made just prior to the game. If the Manager cannot fulfill his/her assignment, it is his/her direct responsibility to send a replacement. Continued failure to fulfill this responsibility will result in disciplinary action by the

BOD.

- i. A double-elimination tournament will be conducted after the season ends to determine which teams will represent WHLL if there is a City of Santee Caps Tournament. The top two teams will be selected to participate. Seeding for our own tournament will be based on points throughout the season. Teams will receive 2 points for a win, 1 for a tie, and 0 for a loss. In the event of a head-to-head tie, the higher seed will be determined by the team with the best head-to-head record against the next highest placed team. If the 1st & 2nd placed teams are tied, records will be compared head-to-head against the next lower placed team (3rd). If a tie remains, then it will go to head-to-head against the next lower placed team (4th) and continue this way until the 1st seeded team is decided. If any other teams are tied, the same would apply in deciding their seeding. If a tie still exists after considering above, refer to Little League Rule Book Section IV Runs-Allowed Ratio to break the tie.
- m. The maximum number of players per team will be 12.
- n. A list of Pool Players will be put together by the Player Agent and available only when a team is unable to field 9 players. 9 year old	4 th round
7 & 8 year old	5 th round
 - ii. *Brother/Sister Option:* This Option is declared as soon as the first brother or sister is drafted. The remaining brother or sister will then be drafted in the very next round. In the case of more than two siblings, each subsequent player will be drafted in the next round until all siblings declared in the Option have been drafted. In a shortened game, if a player does not play at least ½ of the game, he/she must start the next game and play at least three defensive innings before he/she may be taken out of the game. If a complete game has been played (5-1/2 innings is complete) and a player has not met the minimum play time of three defensive innings, he/she must start the next game, make up the missed defensive outs, and then play the next nine defensive outs before being

- e. In accordance with Rule 4.10(e), a manager shall not concede the game if one team leads by 10 runs.
 - f. All players must try out and will be drafted.
 - g. If a player fails to attend one of the try-out dates offered and is League Age nine (9) or ten (10), the Player Agent will place him in the Caps Division. If the Manager cannot fulfill his/her assignment, it is his/her direct responsibility to send a replacement. Continued failure to fulfill this responsibility will result in disciplinary action by the BOD.

A double-elimination tournament will be conducted after the last game of the regular season to determine which team will represent WHLL in post-season play. Seeding for our own tournament will be based on points throughout the season. Teams will receive 2 points for a win, 1 for a tie, and 0 for a loss. In the event of a head-to-head tie, the higher seed will be determined by the team with the best head-to-head record against the next highest placed team. If the 1st & 2nd placed teams are tied, records will be compared head-to-head against the next lower placed team (3rd). If a tie remains, then it will go to head-to-head against the next lower placed team (4th) and continue this way until the 1st seeded team is decided.  - k. The maximum number of players per team will be 12.
 - l. A list of Pool Players will be put together by the Player Agent and available only when a team is unable to field 9 players. In the event of a Manager Option, the second sibling would be taken by the next available round after the first sibling.

- e. A list of Pool Players will be put together by the Player Agent and available only when a team is unable to field 9 players. Pool Players cannot be used to bring a team to over 9 players and will only be used during regular season games. Pool players must play a minimum of three (3) innings and will not be allowed to pitch.
- f. A substitution batting order shall begin on the last Saturday of April.
- g. If a Major Division Team completes two (2) or more games in a full calendar week, at least 9 defensive outs must be recorded by non-twelve-year-old pitchers. If a game ends due to the home team winning in the bottom ½ of the 6th inning, then that losing pitcher will be credited with 3 outs pitched for the purpose of this rule, assuming he/she started with “0” outs. Violation of this rule will result in disciplinary action made by the BOD which could include a suspension for first time offenses.
- h. The Major Division champion will be determined by head-to-head with no split season. A double-elimination tournament will be conducted after the last game of the regular season to determine which team will represent WHLL in post-season play.
